PERSONAL

Rev. Young was in Brodhead during the week.

Mrs. Pleas Ramsey, who has been very sick is some better.

Cashier W. L. Richards was in Louisville, Tuesday, on business.

J. A. Proctor, the quail merchant, is talking of selling out and going to Florida.

Miss Minnie Riddle returned Saturday from a visit to relatives at East Bernstadt.

Mr. and Mrs. Hobart Griffin, of Livingston, spent Sunday with Mr. and Mrs. Fred Baker.

The baby girl of Rev. and Mrs. H. T. Young which has been sick for several weeks, shows but little improvement.

Dr. W. T. Francis has been at home for a few days and will leave early next week for Waynesburg.

Richard Welch is back at his old job as time keeper at Sparda quarry, after having been sick for a year.

Mr. and Mrs. Chris Mullins have moved to Stanford where Mr. Mullins has a chair in Wilkerson's barber shop.

Contractor Neal Parrett closed a deal with W. L. Richards for the erection of a residence on the lot where the latter's home, burned a few years since.

George Proctor, who has been sick for several weeks, has been in a very dangerous condition for the past week. He is resting some better at this time.

Rev. A. J. Pike, R. H. Hamm, Granville Owens and other Brodhead citizens were here yesterday in the interest of the Maresburg route for the pike.

D. C. Craig was over from Lancaster Sunday. Dave is well pleased with his new location and we get it from other sources that his boss is well pleased with him.

John Chaney, aged about 6, a well known man of the Bloss section of this county, died yesterday at the home of his son, Cy Chaney near Maresburg. He was a brother of Harve Chaney.

Mrs. Ada Fishback went to Chicago Saturday to take her little grand-daughter, the infant of Mrs. Shroder who died a short time since. Mr. Shroder's mother will keep the baby, she already had the little boy, Robert.

Frank M. Ponder, the clever and accommodating postmaster and merchant of Gauley, this county, has been selected by the Progressives of the 11th District as a delegate to the National Convention at Chicago in June.

Mr. J. T. Tate, of the north side and one of Rockcastle's oldest and best citizens, has been very sick but we are glad to report him better at this time. Although up in eighty Mr. Tate can mount his horse and ride to town as quickly as one many years younger.

Mrs. E. R. Gentry, who has charge of the Girl's Canning Club in Rockcastle this season, will return today from a two-weeks' stay in Lexington, where she has been taking special training in the work. Mrs. Gentry expects to give the work her very best attention and make the Girls' Canning Club both interesting and profitable to them.

Eugene Proctor, who is now putting on the finishing touches of P. Q. Griffin's new building, is one of Rockcastle's high class workmen. Although 23 years old he has built a number of buildings and in every instance his work has been of the highest order and has given perfect satisfaction. He is what we would term "a natural born mechanic."

Mrs. C. J. Huffman and little son, Clyde, after a several weeks stay here, returned to their home in Paris Saturday.

Mrs. C. H. White and pretty little daughter, are here from Mt. Carmel, Ill., for a few weeks stay with her parents, Mr. and Mrs. Rome Adams.

Misses Bonnie Miceley, Julia Fish and Sally Reynolds are attending the State Christian Endeavor Convention at Lexington, as delegates from the Christian church society.

LOCAL

B. V. D. Union Suits at Fish's.

Chaney silks are the best ties to buy—at Fish's.

Swan hats and a big line of caps for men and young men at Fish's.

Edgar Mullins sold Perry Ballard, of Crab Orchard 42 hogs at 7c per pound.

Geo. Payne left Tuesday for Warren, Pa., to join the base ball team, of this city, as pitcher.

Fritz Krueger has added an \$800 outfit of mahogany furniture and fixtures to his business house on West Main street.

Let Taylor do your Tailoring—leave your measure at Fish's to day, fit and satisfaction guaranteed.

FOR SALE—Two 2-year-old Jersey cows with heifer calves.

W. B. SIGMON,

4-28-3t. Wildie, Ky.

Judge B. J. Bethurum has called a special term of court for one day, July 10th, to try the case involving the estate of the late A. T. Fish.

WANTED—All the wool I can get. Will pay the market price. See me before you sell.

J. M. CRAIG,

4-21-4t. Quail, Ky.

The egg trade in Mt. Vernon is good. We learn from good authority that there were 71 cases or 2130 dozen, valued at \$371.75, shipped from here Monday.

Round trip tickets to Lexington for \$3.15 May 6th and May 10th, limited to three days from date of sale, on account of Spring Race Meeting Kentucky Association.

When you see a man who says he does not take any kind of a newspaper for the reason he does not have time to read, that man is to be pitied.

B. E. Bingham, J. R. Jones, C. D. Benney and Mike Jones, all of Barbourville, passed thru Sunday in their new Dodge Bros. car en route to Lexington. They were eight hours on the way from Barbourville here.

SERVICES AT THE CHRISTIAN CHURCH SUNDAY.

Sunday School 9:45.
Preaching service at 11 a. m.—Christian Endeavor 7:00 p. m. (Please note the change of hour.)
Preaching service at 8:00 p. m.

Roy Beasley returned this week from Tennessee, where he made arrangements for a string of extra good show horses for the season. Roy says he will have a string that will be right in the showing at all the Kentucky fairs. While there he sold Louis Reams' fine mare which was shipped Wednesday night.

CONVENTION:—The Democrats of Rockcastle are hereby called to meet in mass convention in the court in Mt. Vernon, Saturday, May 20th, at 1 p. m., to name delegates to the State Convention, which meets in Lexington, May 24th.

This May 5, 1916.

G. C. FISH,

County Chairman.

E. S. ALBRIGHT, Sec'y.

Every now and then some fellow caught selling whisky, or who gets drunk and shoots up the town, gets caught where he ought not to be, or does some other low down crime, runs the first place to the newspaper with the request, "Don't say anything about my little trouble, I don't want it advertised to the world." A few times we have granted such requests to get a good cussing for doing so, but never again will we be guilty of leaving out such items and we trust that we will never be asked to do so again. The man who is low down enough to get out in the dark and commit such offenses should not object to the world knowing the character of man he is. Do right and you will feel right.

Get your Electric Light lamps at R. H. Miller's drug store.

Sandals, tennis shoes and low cuts of all kinds for every foot at Fish's.

Judge J. F. Griffin is making some improvements to his main street home.

Brown and Craig shipped a car load of hogs Wednesday. They loaded at Brodhead.

When you get the National Mazda, you get the best Electric lamp made. At R. H. Miller's drug store.

Next Wednesday, May 10th, will be the commencement exercises of the Brodhead High School. Supt. of Public Instruction, V. O. Gilbert, will be present and make the class address.

P. Q. Griffin will soon have his West main street building completed. The first floor will be a store and the second floor is divided into living rooms. This is a splendid building and we understand will be for rent both above and below as soon as completed.

Tomorrow is the Graded school election, there being one trustee to elect, in Chas. C. Davis' place. Floyd Miller will be a candidate and we understand there will be an opposing ticket. Just before going to press we learn that W. T. Davis will be the opposing candidate.

Sheriff Cam Mullins was in Ft. Thomas, Monday, to deliver to the U. S. Army, John M. Riley, who deserted the Army last December. Young Riley enlisted last July, his home being in Indiana. After deserting he roamed around over the country until a week or so ago he dropped into Sheriff Mullins' office and expressed a desire to be taken back and his wishes were complied with.

"SOMEWHERE IN FRANCE"

is the name given five reels of war pictures taken at the battle front. These are actual battle scenes. Will be shown at Boone Way Opera House, Thursday, May 11th. See these wonderful pictures and you will retain an accurate and vivid impression of this most stupendous military struggle. Admission, adults 25c, children 15c. Show starts at 8 p. m.

Joe Redd was given a fine of \$50 and ten days in jail in Police Court, Wednesday, for doing a favor for Jack A. Jones and W. J. Mullins, by going over the hill to Bob Lee's and buying for them just one pint of that stuff that makes a man want to fight his grandmother. This means about 35 days for Joe at the "Winstead Hospital" where the boys say the treatment is fine as can be found.

The road to Brodhead has at last been established over the old State road. The advertisement for bids for this road from Livingston to Brodhead appears in this issue and we certainly hope to see this contract let this time. For the benefit of those desiring to bid on the work, we want to say that there will be no more putting off of dates but that on the 16th day of May the fourteen miles between Livingston and Brodhead will be awarded, providing there is a satisfactory bid. We hope to see a number of bids in, which we feel sure there will be.

The house belonging to Mrs. K. J. McKinney, on West Main street, and occupied by Luther Mullins, burned about noon last Sunday. Only by splendid work of our bucket brigade was the building next to the one that burned, which also belongs to Mrs. McKinney, saved. Most of Mr. Mullins' household goods were saved in good condition. Mrs. McKinney and Mr. Mullins were fully covered by insurance. The only one to suffer loss was Mrs. Harp, who lived in the next house, and in moving out her furniture badly damaged it, which was not insured.

SPECIALIST

Dr. L. C. Morgan, specialist on diseases of the eye, ear, nose and throat will be at Mt. Vernon Hotel, Saturday 6th till Saturday 13th. Those needing glasses or any wanting to have their glasses changed will do well to come to the hotel and see him.

Mr. Morgan is a graduate of the Medical Department of the University of Louisville and has 18 years of experience. His charges are reasonable.

Don't forget where he will be. Don't forget the time. Don't forget to come.

Don't fail to ask for Booster Tickets every time you spend a dollar.

Round trip ticket to Frankfort \$4.15 May 15, 16, and trains scheduled to reach Frankfort before noon May 17, limited to May 20, account Grand Commandery Knights Templar of Kentucky.

Mrs. J. B. Willis, hostess of Crab Orchard Springs, passed up the line on her way to visit her son at Nicholasville. The latter place is 35 miles from Crab Orchard by pike and over this rail route via Sinks, and Richmond, 75 miles.

The Rockcastle Baptists held their Fifth Sunday meeting in Mt. Vernon and it was a splendid, good meeting. The visiting ministers were Revs. Pike, Gooch, Thornton, Jones and Carmical. Rev. Jones preached on Sunday and delivered a splendid discourse. Sunday afternoon Mr. J. C. McClary, of Stanford, one of the best Sunday School men in the State, delivered a good address. A number came in from the country to attend the services.

The following of our young folks leave today for Lexington as delegates from the Presbyterian church to State Endeavor Convention, which meets in that city tomorrow and Sunday. The following are the delegates:

Junior Endeavor Delegates—Elizabeth Lawrence, Dorothy Albright, Julia Landrum, Ada Walton, Bernard Franklin. Senior Endeavor Delegates—Gertrude Evans, Verna Jent, Margaret Singleton, Cecelia Walton, Hyatt Crawford, Ruth Landrum. Misses Bradley and Coulson will accompany them.

In the past it has been the practice with County Judges to remit fines on the promise of good behaviour etc., but that day is past and in order that violators may know just what the law is, we publish the following issued by State Inspector Sewell. The article is as follows:

County Judges, who have remitted or suspended fines, will be held strictly accountable for the State's portion of the fines by State Inspector and Examiner, Nat B. Sewell, who received an opinion to day from Assistant Attorney General O. S. Hogan stating that while a judge has the right in term to set aside judgment and grant a new trial, he has no authority to suspend or remit fines. It is customary in many counties for the County Judge after sentence to remit the fine or suspend it, or to go to the jail and direct the release of a prisoner serving out a fine. This has been held to be a direct exercise of the pardoning power, which belongs alone to the Governor. County jailers, the opinion says, have no right to release a prisoner on such terms. The opinion quotes the Court of Appeals, saying: "The practice of suspending the judgments of courts in misdemeanor cases is a failure to enforce the law; it encourages crime and is a menace to good government." State Inspector Sewell said judges must take steps to collect the fines and execute their judgments or they will be required to pay the amount into the State Treasury.

WHOOPIING COUGH.

One of the most successful preparations in use for this disease is Chamberlain's Cough Remedy. S. W. McClinton, Blandon Springs, Ala., writes: "Our baby had whooping cough as bad as most any baby could have it. I gave him Chamberlain's Cough Remedy and it soon got him well." Obtainable everywhere.

Langdon News

Sunday afternoon the Junior C. E. Society held their meeting at the home of Mrs. Cy Daily, just beyond the Fair Grounds.

The Christian Endeavor Society Sunday night, enjoyed the reports of the delegates to the Missionary Convention at Danville held a week ago.

On Friday the 5th a number of delegates from the Junior C. E. and Senior C. E. Societies go to Lexington to attend the State Convention. They expect to return Monday.

See the war pictures at the Boone Way Opera House, May 11, 8 p. m.

A GOOD FAMILY COUGH SYRUP

Can be made by mixing Pine Tar, Aconite, sugar, Hyoscyamus, sassafras, peppermint, Ipecac, Rheubarb, Mandrake, Capsicum, Murate Amonia, honey and glycerine. It is pleasant, healing and soothing raises the phlegm and gives almost instant relief. For convenience of those who prefer not to fuss, it is supplied ready made in 25c bottles under name of Dr. Bell's Pine Tar Honey. Can be had at your Druggist. Insist on getting Dr. Bell's Pine Tar Honey and see that the formula is on the package.

Women \$30 for distributing 100 free skeins wear Proof darning cotton with hosiery, your section. Experience unnecessary. International Mills, Dept. 600, Norristown, Pa. 4-7.

Miss Christine Asher, and Mr. Lawrence Rice, both of Livingston, came to Mt. Vernon, Monday afternoon, and immediately upon their arrival the necessary papers were secured. Rev. H. T. Young called, and they were made man and wife. Mr. Rice is an employee of the L. & N. and one of Livingston's most substantial young men. The bride, who is a sister of Mrs. L. H. Davis, is one of the county's popular and attractive young ladies. The Signal joins their many friends in wishing them a long and happy married life. Mr. and Mrs. B. H. Griffin accompanied them.

If you can't come telephone Fish's and they will send it.

You Need a Tonic

There are times in every woman's life when she needs a tonic to help her over the hard places. When that time comes to you, you know what tonic to take—Cardui, the woman's tonic. Cardui is composed of purely vegetable ingredients, which act gently, yet surely, on the weakened womanly organs, and helps build them back to strength and health. It has benefited thousands and thousands of weak, ailing women in its past half century of wonderful success, and it will do the same for you.

You can't make a mistake in taking

GARDUI
The Woman's Tonic

Miss Amelia Wilson, R. F. D. No. 4, Alma, Ark., says: "I think Cardui is the greatest medicine on earth, for women. Before I began to take Cardui, I was so weak and nervous, and had such awful dizzy spells and a poor appetite. Now I feel as well and as strong as I ever did, and can eat most anything." Begin taking Cardui today. Sold by all dealers.

Has Helped Thousands.

CHAUTAUQUA ENTERS NEW PHASE

Permanence of Parent Institution of Chautauqua Movement Now Definitely Established.

Over Quarter Million Dollars Being Spent on Plant at Chautauqua, N. Y., This Year, Making Largest Single Year's Development in History of the Movement Since 1874—New Entrances, Public Buildings, and Residences, All of Permanent Construction. City of Tents No Longer the Type to Represent the Chautauqua Idea.

NEW developments which are going on at Chautauqua, N. Y., in buildings, approaches and transportation facilities differ greatly from the prevailing notion of a chautauqua as a transitory thing. Brick paved highways, double track trolley car lines, entrances of brick and concrete in good architectural design, landscape treatment on a broad scale, educational buildings in comprehensive groups, hotel rooms with steam heat and other like conveniences, private residences costing a fortune to build do not grow up around an enterprise of fleeting character, yet all these things are taking shape this spring at Chautauqua. The fact is that the parent institution of the Chautauqua movement, on Chautauqua Lake, has within a decade passed into a wholly new phase, the "city of tents" giving way very fast to a city that "has foundations." Electric light and power plants, gas mains, water supply and sewage systems, paved sidewalks,

change office, news and candy stands and the rest room for ladies. Toilet rooms, inside and outside, will be provided for both sexes. Adjoining the traction ticket office will be the baggage department with checking and transfer offices, the freight department and the express department, all to have ample platform space for loading and unloading. Work has already been begun so as to assure completion before the season opens. The cost of the structure will be some \$30,000 and incidental improvements by the Traction Company perhaps \$10,000 additional.

The Institution has expended for land and buildings and for the improvements made over \$40,000. The special piece of brick highway has cost the state and county \$17,000, while the Traction Company expenditures, as just indicated, will aggregate at least \$40,000.

For a quarter of a century the water gate was the principal and almost the only entrance to Chautauqua, and it will be remembered for its natural pic-

nic, waiting rooms, check room, baggage room and refreshment booth. The second floor will be entirely devoted to a covered promenade. A most attractive building is promised by Green & Wicks of Buffalo, the Institution architect.

For the past two years there has been a marked improvement in this entire section of Chautauqua, in ground, park and cottage betterments, to which the new boat landing and water entrance will give final emphasis.

Summer Schools Growing.

The growth of summer schools throughout the country is being largely shared by the pioneer summer schools at Chautauqua, N. Y. This year's addition to the Chautauqua Summer Schools on College Hill will be in the form of two sixty foot ends added to the sides of the rectangle already well defined. When completed all the classes, comprising 3,000 students, will be provided for in this building, with the open end of the quadrangle toward the lake and "the old chestnut tree" a venerable Chautauqua landmark in

PACKARD ESTATE ON CHAUTAUQUA LAKE, ADJOINING CHAUTAUQUA INSTITUTION GROUNDS. THIS PALATIAL NEW RESIDENCE WILL BE OCCUPIED BY ITS OWNERS THIS SUMMER. BOTTOM SECTION OF CUT SHOWS MODEL OF THE GROUNDS.

year-round office buildings of fire proof or slow burning construction are among the things that one by one have supplanted the earlier makeshifts. Over a quarter of a million dollars is just now being expended to present the assembly to 1916 visitors in its new character as a permanent institution definitely come to stay.

The Chautauqua assembly at Chautauqua, N. Y., will this summer offer to the visitor's view two important and striking improvements in two approaches—the water gate or pier, where will enter the visitor coming by steam boat from other points on Lake Chautauqua, and the land gate, where will enter the visitor coming by trolley from any direction or by motorcar over the excellent highway which connects with the great east and west thoroughfare at Westfield, N. Y.

Chautauqua's New Land Gate.

The general highway improvement is the most extensive enterprise now under way at Chautauqua, N. Y. This has been secured by generous co-operation with Chautauqua Institution on the part of the State of New York, the county of Chautauqua and the Chautauqua Traction Company operating the electric railroad from Jamestown to Westfield. It comprises a modern passenger station, double tracking of the trolley line, a new brick paved highway and important changes in the boundaries of the Assembly enclosure. Plans were made in 1913 by the State for the improvement of the highway. A magnificent new state road is now open through Mayville to Westfield, connecting with the great roadway east and west, known to all automobilists. The line of the highway at Chautauqua was changed and straightened and paved with brick. This change has made possible the addition of a considerable acreage to the lot and park space of the Institution. It involves also the double tracking of the trolley line, the laying of needed switches and the construction of a new and complete station. The plans for the station building are by Freeburg & Fidler, architects, of Jamestown, N. Y. There will be a double track in front and a switch to the rear for freight, baggage and express. The building will be 56 by 225, built of red brick, stone and concrete. The design will harmonize with the present permanent Institution buildings, with red tile roof and wide, projecting eaves. The outside passenger platform will be 28 by 72, so arranged that outgoing and incoming traffic may be separated. On the inside will be the Institution ticket office with incoming and outgoing passages, the ex-

traneous beauty by every one who has visited the assembly during the past forty-two years. More recently, since the development of the electric railway and since the automobile has become so important a factor, the roadgate has received the larger share of visitors, yet it has had nothing to suggest the real character of Chautauqua. It has been like the railroad approach to many a town, a back door entrance, crowded and uncomfortable, without character or convenience.

The change in the highway and trolley line has made available to the Institution a tract about 4,000 feet long, varying in width from 10 to 300 feet, or nearly thirteen acres, and brings the total area within the enclosure up to about 200 acres. The new section is laid out into eighty-eight lots and into parking. The lots thus made available for lease are somewhat larger than the older Chautauqua lots. Two of the new streets formed are named Harper and Massey avenues, to commemorate services to Chautauqua by Dr. William R. Harper of the University of Chicago and the Massey family of Toronto. In this extension about two acres have been added to the present playground

park, and the natural beauty of a stream and ravine at that point will be enhanced by planting trees and shrubs. A plaza near the station has also been reserved for park use. The planning of this addition has been done by George Y. Skinner, a specialist connected with the New York firm of Samuel Parsons & Co., landscape architects.

The Chautauqua High School, the Institution Garage and car parking place the excellent Chautauqua golf links and the industrial center comprising repair shops of various kinds are located west of the Chautauqua enclosure on the highway and trolley line.

Chautauqua's New Water Gate. Second in importance to the improvements of the land gate at Chautauqua, now under way, is the construction of the new pier building, on the site of the old wooden structure, which was torn down last fall. The Miller Memorial Bell Tower, erected in memory of the late Lewis Miller of Akron, O., co-founder with Bishop John H. Vin-

cent of Chautauqua Assembly, is an impressive enhancement of the natural charm of the point. The new pier building, which will cost about \$10,000 will be another added ornament. The new pier building will be a two-story structure of 40 by 100 feet, with concrete columns and red tile roofing. The first floor will contain the Institution ticket office, steamboat ticket of-

the center. It is to be hoped that friends of popular education will come forward to make possible in the immediate future the completion of this unique group of buildings which will serve as classrooms, laboratories and dormitories.

The Chautauqua Summer Schools themselves are unique in having always been self supporting. They are the oldest summer schools in the country and serve as a place for study on broad lines at a small expense.

New Music Studio at Chautauqua. The interest in orchestral and choral music at Chautauqua which has made the Chautauqua Music Week one of the annual music events of America affects also the Chautauqua Summer School of Music. Each year sees some improvement in the facilities for musical study at Chautauqua, and this year a new practice studio will supply a greatly demanded addition to the plant of the music department.

The new building will occupy a position on the slope south of the Sherwood Memorial building, which all visitors remember, and will conform in style to the architecture of the College Hill group.

The Packard Estate at Chautauqua. The first really pretentious country estate to be built on Chautauqua Lake has been laid out by Mr. William D. Packard of Warren, O., a member of the Packard Car Company, on a large tract adjoining the Institution grounds on the north. Landscape work has been under way all winter. Mr. Packard is the son of the late Warren D. Packard, one of the pioneer summer residents of Chautauqua Lake and one of those influential in the development of Lakewood several years ago.

The property which Mr. Packard has bought lies between the Chautauqua Traction Company's line and the lake and along the north boundary of the Chautauqua Institution enclosure. From this particular point there is an unexcelled view from Mayville on the north to Long Point on the south, and it is undoubtedly one of the most desirable residence sites of the entire lake region.

The house is to be three stories high, of brick, stone and steel construction, red tile roof, absolutely fireproof. It is set in a grove of elms, which surround it on all sides but one, that facing the lake. Directly to the south of the residence gardens are planned, terminating in a wild growth of shrubbery, threaded with trails leading to the docks and boat-houses, to an artificial waterfall

When one car gives better service than any other car
When one car out lasts any other car,
When one car is easier to drive than any other car,
When one car runs smoother than any other car,
When one car is more economical to maintain than any other car,
When one car costs less to buy than any other car,

Its No Wonder

That 2,000 of these cars are sold each day.
That more of these cars are sold than all the other (160) different makes combined.

For HARMOUNT TIE & LUMBER CO.

a lily pond, tennis courts and vegetable gardens. A cottage for the gatekeeper and tenants is now under construction, and other buildings will adjoin this cottage.

The landscape work has been done under the direction of Mr. H. L. Avery of Cleveland. Eighty-four full grown trees, mostly elms, have been transplanted by Mr. Herbert L. Hyatt of Cleveland, a forester, who has transformed an uninteresting bare hillside into a well wooded slope. A great quantity of small planting is also being done.

The Packard residence when completed will probably represent an expenditure close to \$175,000.

Larger Hotel Accommodations at Chautauqua.

Among the many excellent boarding houses at Chautauqua, that erected this winter by Mrs. A. J. Lewis and known as the St. Elmo will command attention. It is a handsome and commodious new structure and by its artistic blending into the general architectural scheme of the central plaza is a real ornament to the place. It will contain many steam heated rooms with private baths. Mrs. Lewis has shown very positive faith in the future of Chautauqua.

Hotel Athenaeum is building an addition to its service equipment. Several boarding houses and private cottages are being built or enlarged.

Fenton Home For Methodist Diaconesses.

In addition to projects already well under way at Chautauqua, N. Y., such as a new pier building, new traction station, new school building and boarding houses, there are expectations concerning a home for Methodist Diacon-

esses provided for in the will of the late James Fenton of Buffalo, N. Y. This his executor hopes to build this spring at an approximate cost of \$25,000 to \$30,000. The construction will be of brick and stone and will be a most desirable addition to the new Chautauqua buildings of permanent type. The year 1916 is clearly to show as extraordinary for physical growth at Chautauqua.
